## **ANDRETTI AUTOSPORT USF2000 NATIONAL CHAMPIONSHIP NOTES AND QUOTES, POST-RACE HARRAH'S AUTOBAHN GRAND PRIX**

### **SAGE KARAM, #8 TEAM COMFORT REVOLUTION CAR**

- Finished 2nd in the first race of the weekend

"We finished second to a really talented driver, Tonis [Kasemets]. He just had a better start than we did. I'm just thrilled that we were able to hold off McKenna and improved our points lead. That's what we really want to do--keep advancing our points lead for the championship."

### **ZACH VEACH, #7 TEAM ADS CAR**

- Finished 7th in today's race

"We were really happy to qualify P2 today, but we had a rough start and suffered damage to the rear of the car. Fortunately I was able to finish the race. We'll work hard tonight and try again for a win tomorrow."
