**ANDRETTI AUTOSPORT
USF2000 NATIONAL CHAMPIONSHIP
NOTES AND QUOTES, POST-RACE
ROAD ATLANTA**

SAGE KARAM, #8 TEAM COMFORT REVOLUTION CAR

- Finished in 1st place and secured the USF2000 driver championship title

"I'm so happy and honored to have won the championship driver title today after winning the first race. We started out the week on a rough note but it really can't get better than this. I want to thank everybody--Michael Andretti, the Michael Fux Foundation, Comfort Revolution, Mazda, Cooper Tires, the Road to Indy program and my awesome crew. I can't thank Andretti Autosport enough for the opportunity to race this season, and I hope I can make them proud again tomorrow morning."

ZACH VEACH, #7 TEAM ADS CAR

- Finished the race in 2nd place

"I can't thank my team enough; everyone has been working so hard. We've had some of the highest finishes of our season these last few races which shows how far we've come this year. We've got some things to work on but Andretti Autosport has given me a great opportunity and for that I can't thank them enough. I want to thank my teammate and closest friend, Sage Karam, for all the support this year and congratulate him on winning the championship."
